

# VOYAGERS PACKING LIST

Remember to pack light. You'll be carrying your own luggage around at the airports and hotels, so bring only what you need. The best way to prepare is to research the climate and seasons in the country that you'll be visiting so you can plan accordingly. Out of respect for the local culture and to protect yourself, please dress conservatively.

## **Documents**

- Passport – required for all participants. Remember to bring a couple of photocopies and leave one copy at home
- A list of important phone numbers and addresses
- Copy of any prescriptions (Customs officials may want to verify that a container's contents match its label, so all medication should be carried in its original container.)

## **Electronics**

- An adaptor/converter
- Camera with charger (Batteries can be expensive abroad)
- Mobile phone
- Gadget for journal
- Selfie Stick / Tongsis

## **Money / ATM / Credit Card**

- Personal credit card
- ATM card (call the bank prior to departure to alert them of the trip; foreign purchases sometimes result in a hold on bank accounts)
- Pouch for storing money and passport under clothing
